SUBJECT: MODIFICATION OF CONTROL SITUATION – VÍAS DE LAS AMÉRICAS S.A.S.

DATE: AUGUST 20, 2021

In compliance with the legal provisions in force CONSTRUCCIONES EL CÓNDOR S.A. informs about the modification of the composition of its Business Group since, given the current conditions of Sociedad Vías de las Américas S.A.S., the issuer as the majority shareholder does not have the control to order or guarantee the normal operations and the ordinary course of business of that Company.

Vías de las Américas S.A.S. is facing a reorganization process before the Superintendency of Companies, and additionally the Concession Contract 008 of 2010 is in the liquidation stage. Given that the Company was incorporated for a sole purpose, and the contractual restrictions on availability of project resources, at present Construcciones El Cóndor S.A. does not hold control over the Company in question, this because: (i) the credit obligations prior to the admission of the insolvency process, depend on the approval of the restructuring agreement of the Superintendency of Companies and (ii) the obligations of Payment subsequent to the admission of the insolvency process, in accordance with the Concession Contract, depend on the approval of ANI.
