SUBJECT: CANCELLATION OF ISSUER RATING

DATE: DECEMBER 23rd, 2022

Construcciones El Cóndor S.A. informs that Fitch Ratings (the Agency) will not continue monitoring the Company's ratings, which is why the Agency has announced the withdrawal of the long and short-term national ratings of both the Company and the Program for the Issuance and Placement of Ordinary Bonds and Commercial Papers.

This is because the Company currently does not have active issuances or bonds in circulation that require to have a credit rating.
