

SUBJECT: INCORPORATION OF A COMPANY WITH ISSUER'S SHAREHOLDING

DATE: JULY 27, 2020

In compliance with the legal provisions in force, and especially with the provisions of article 5.2.4.1.5 of Decree 2555 of July 15, 2010, we inform that the Company Interconexiones Viales SpA was incorporated today in Chile with the participation of ISA Group, through its subsidiary in that country, INTERVIAL Chile SA, in 65% and Construcciones El Cóndor in 35% .

With the incorporation of this Company, whose initial capital will be USD 1.3 million, the alliance between Grupo ISA and Construcciones El Cóndor is ready to foray the business of road concessions in Colombian and Peruvian markets, and execute the joint evaluation strategy, participation in tenders and acquisition of concessions, with the aim of building a solid portfolio in the region.

Construcciones El Cóndor, as a partner of this new company and hand in hand with ISA, will continue to consolidate itself as an important actor in road concessions in Colombia, complying with the 2020-2025 strategy that has geographic diversification as one of its pillars with the participation in road concessions in Peru, and the consolidation of strategic alliances that contribute to the objective of profitable growth by investing in road concessions and executing the works of these concessions.

Both companies (Grupo ISA and Construcciones El Cóndor) share values and have high levels of compliance, corporate governance, a focus on human talent, the climate and organizational culture, experience in the integration of infrastructure projects, patrimonial strength and access to the capital market, in addition to being listed on the Colombian Stock Exchange.

Likewise, the two companies have complementary technical competences that, together with the qualities they share, constitute a solid basis for the emerging Interconexiones Viales. ISA brings to this alliance its extensive experience as an operator in Chile where it currently leads the highway segment, as well as its financial strength, its leadership as a Multilatina, its capacity and knowledge of regulatory management. Construcciones El Cóndor provides its experience and leadership in Colombia in investing in road concessions and in the construction and management of road infrastructure projects with excellent compliance and execution capacity, incorporating
