

SUBJECT: TRIAL

DATE: JUNE 18, 2015

Is informed that developing the Direct Repair process established by the University Antonio Nariño, in which Construcciones El Condor SA was called in guarantee. The Administrative Court of Caldas, through self reported yesterday to the parties, court decision favorable to the interests of the defendants and called in guarantee.

The Court of Caldas denies the claims of the plaintiff party, for alleged damage in Uribe dump.

The judgment is not yet firm and is capable of appeal.

This process had been reported as an important process in the Prospectus Information Issuance and Placement of Shares of Construcciones El Condor SA in 2012.
